Our Spring 2021 UMass Interns

Name: Rachel King
Graduation Year: 2023
Majors: Environmental Science

Rachel has been enjoying her position as an intern and has a passion for the environment. She enjoys hiking and being outdoors. In the future she hopes to work on water or in renewable energy. She is excited to start the semester with SWCS!

Name: Erin Thomas
Graduation Year: 2023
Major: Natural Resources Conservation

Erin's primary interests are in wildlife conservation. She started her freshman year as an animal science major before discovering NRC. She is also passionate about connecting the general public to the environment, and through working with SNEC has discovered numerous environmental & social issues she may not have known about otherwise.

Name: Taylor Lo
Graduation Year: 2023
Majors: Environmental Science and Natural Resource Conservation Double Major

Taylor is a UMass student interested in the conservation of our resources and natural ecosystems. As a SNEC intern, she has learned a lot about local environmental issues and some of the ways non-profits operate. In her free time she likes to play guitar and read.

Name: Danielle Dailey
Graduation Year: 2021
Major: Sustainable Community Development & Geography

Danielle's primary interests lie in environmental justice and green infrastructure, and she loves spending time outside. She was recently named a Fulbright Grantee and will teach English in Taiwan following graduation, where she hopes to continue to advocate for environmental conservation through the skills she learned from SWCS-SNEC.

2021 Outstanding Chapter Award

“The Outstanding Chapter Award recognizes chapters for its success in carrying out its overall program during the past year.”
